

Where Ambition Meets Opportunity

Online Capital Access Invitation

Invitation to Participate

Overview

In response to growing global demand, GI Network is expanding its flagship investment event format into a powerful virtual platform. Investor Connect | Online Edition is a curated, invitation-only digital investment meeting connecting high-potential companies with institutional investors, venture capitalists, and family offices from around the world.

The event is hosted in partnership with a leading global event technology provider, offering a professional, seamless experience that enables participants to navigate effortlessly between keynote sessions, private investor pitch rooms, and interactive networking lounges — all from any desktop or mobile device.

This is not a generic webinar or public summit. It is a highly focused, results-driven environment designed for investment-ready companies looking to raise \$10M+.

Why Investor Connect Matters

Top-tier investors are actively looking for global deal flow without geographic constraints. By moving online, we eliminate travel and location barriers, allowing for greater access, precision matchmaking, and faster deal cycles.

Our digital platform ensures:

- Frictionless log-in and intuitive navigation (no tech expertise required)
- Private pitch rooms with direct Q&A functionality
- Live-streamed sessions in high-definition audio and video
- Access to global investors across multiple time zones
- Interactive networking lounges and integrated meeting tools

Who Should Apply

We are selecting up to 100 high-potential businesses across sectors such as advanced manufacturing, energy, fintech, logistics, healthtech, and infrastructure. Ideal candidates are companies seeking \$10M+ in growth capital, led by capable teams with scalable models and clear investor readiness.
